**• Discussion**

Dave Scheel- Team fees are not the same? We lost two teams from last Spring.  
Mike Nutter- Field Costs- Costa Mesa by the hour? - \$30 per field  
Tustin- % of our team fees and we pay for prep.

What is the Estimated cost \$8,848 - \$11,300 W/Prep  
Marc Triplett- Game Costs- What does it include? – Fields, Prep and UIC  
Should it be its own Line item?  
Jim Poer- What is Team Leadership Expense? – Teams can work league events to raise  
money for World Series  
NAAGAA/ASANA fine? We received the \$100 reimbursement for the fine from  
last year. It was credited to last years budget.

- **Patty Felker**- We should open up the All Star teams to include a couple Women's C players and Open B Players per team. The Women's C playing the Open D this season and the Open B are playing the Open C this season, so to include those divisions would make it fair to all members.
- **Nolan**- Field Conditions- Mud on Tustin field 3. We have asked the field prep to take care of the issue.

Rules- line drives are Homeruns- can we change the rule or buy breakaway fences.

- **Rippers**- instead of ending a game in a tie can we look into tiebreakers

**Breakout Sessions**

**Meeting Adjourned @ 8:47pm**

**Respectfully Submitted,  
Michael Vecchiolla
